WNCC Cosmetology Offers Free Haircuts for Veterans

SCOTTSBLUFF, NE <November 03, 2014> – In keeping with the spirit of giving, the Western Nebraska Community Cosmetology Department in Sidney offers free haircuts to veterans with an event called “Red, White, and Blue: Honoring You.”

Veterans and active duty military may receive their free haircut from 9:00 a.m. to 4:00 p.m., Tuesdays through Fridays, during the entire month of November. WNCC Cosmetology also offers free haircuts at the Harms Advanced Technology Center at the

Scottsbluff campus from 9:00 a.m. to 4:00 p.m. on November 17. Active or former military simply need to show their military identification to receive a free haircut.

Cosmetology Instructor Pamela Leever tells us that the idea sprang from a conversation with her students on how best to honor veterans for Veterans Day on November 11. “As the conversation grew more ideas came out, why not the whole month of November and what about active duty military also?” she says. “This is going to be an awesome opportunity for us to show our appreciation for veterans and active duty military as well, not to mention the experience for the cosmetology students!”

The WNCC Sidney campus offers the only publicly funded cosmetology in Nebraska. Previous events held by the students include two very successful free spa days for cancer survivors.

For more information, or to reserve your haircut, contact Pamela Leever at leeverp@wncc.edu or call 308.635.7455.
