Astronomy Professor Bob Powell Reflects on 50 Years with UWG

Dr. Bob Powell, professor of physics and director of the University of West Georgia Observatory, retired after 50 years of service. In that time, he has worked as chair of the Department of Physics, directed countless student projects, worked extensively with in-service teachers and served as faculty advisor for the Phi Kappa Chapter of the Chi Omega Sorority. carry on the family tradition. The question is - which one?

The University of West Georgia quarterback guided the Wolves this year as they reached the second round in the NCAA Division II playoffs for the third time in four years. But that's just the beginning of Candler's story. [Read More...](#)

UWG Shouts

Francesca Ellis, West Georgia senior soccer player, was honored as Third Team All-South Region Team by the United Soccer Coaches Association.

Rob Dial, master of public administration candidate (2018) and executive director West Georgia Prevention & Advocacy Resource Center, graduated from the Georgia Academy for Economic Development's Carroll County Region 4 Multi-Day Training Program.

Georgia residents, step up to the plate - a special UWG license plate. A portion of the special tag fee for the plate, paid annually, goes to support the UWG Alumni Legacy Scholarship. Established in 2012, the fund provides scholarships for children of University of West Georgia alumni. [Learn more here](#) about pricing and distribution or contact your local tag office.
