REV GROUP FIRE BRAND- E-ONE - DELIVERS 6X6 TITAN FORCE™ AIRCRAFT RESCUE FIREFIGHTING VEHICLE TO VINNELL ARABIA

Ocala, Fla. – Mar. XX, 2017 – REV Group, a \$2+ billion manufacturer of industry-leading motor vehicle brands announces the delivery of an E-ONE P711 6X6 Titan Force™ Aircraft Rescue Firefighting (ARFF) vehicle to Vinnell Arabia.

E-ONE, a member of the REV Group, designed and manufactured the ARFF vehicle which includes:

- E-ONE all-wheel drive chassis with pump and roll
- E-ONE extruded aluminum roll cage designed cab
- Cummins QSX 15 engine rated at 665 HP
- Hale Model RME 2400 GPM water pump
- Williams Fire and Hazard Control 8 port multi-metering 3% foam system

- Akron Model 3353 roof turret rated at 600/1200 GPM, and Akron Firefox 300 GPM bumper turret.

The ARFF vehicle has the capacity to carry 3000 gallons of water, 405 gallons of firefighting foam and 500 lbs. of dry chemical.

Vinnell Arabia was awarded a contract to set up, supply and maintain the Fire Service for the newly formed Saudi Ministry of National Guard Aviation Wing, operating rotary wing aircraft. Vinnell Arabia is part of the Northrop Grumman Group with over 1250 employees, and the leader in U.S. military doctrine-based Training, Logistics, and Support Services in Saudi Arabia. Working strictly to current NFPA Standards, Vinnell Arabia selected E-ONE as a first choice manufacturer. This decision was enhanced by the dedicated close service support capability of their E-ONE Dealer, SESE: Saudi Establishment for Safety Equipment.

The chosen E-ONE Titan Force™ 6X6 was carefully selected based on its proven ability to meet the harsh conditions of the climate and tough terrain, to exceed the necessary firefighting and rescue performance criteria, and to cater for the potential expansion needs of the National Guard aviation services.
